

+ RESILIENT 3^d Webinar

Monitoring and evaluation methods for social innovation

January 15th, 2021, 10:00 – 13:00

Introduction and objectives of the webinar

The aim of this webinar is to support partners of the + Resilient Project and the pilot action stakeholders in their evaluation process. It will help them to evaluate their own pilot action by presenting a method and discussing about its practical implementation in each region and by each team. This webinar will also serve as a first building block on the road to the Living Lab.

The webinar is open, but registration is required.

Please register [here](#) by January 11th, 2021 at latest. Information will be sent to registered participants.
